

OSA Political Action Committee

OSA members after the 2011 Labor Day Parade, holding signs that read "They Only Call It Class War When We Fight Back" and "Tax the Rich, Not Our Future!"

We all wish we lived in a world where right, truth and justice prevailed automatically, with no need for our involvement save to do a good job at work. Sadly it is not so.

OSA Chairperson Bob Croghan (l) joins Firefighters Union President Steve Cassidy (2nd from left) and District Council 37 Executive Director Lillian Roberts (r) in supporting 2009 mayoral candidate Bill Thompson (2nd from right).

Instead, if we don't defend ourselves and our families, others will see to it that we are deprived of the fruits of our labor. The recent passage of the abominable Tier VI pension shows the need for political action to defend what we now have.

You are being asked to support our union's lobbying efforts through a bi-weekly contribution to the OSA PAC. The money will be used, subject to the approval of the union's executive board, to support candidates who help either our members or workers in general.

When there is a question of a tax cut for business versus a pension increase for City workers, we can expect newspaper editorials in favor of the tax cut, commentary by the Manhattan Institute in favor of the tax cut, and lobbying by corporations for the tax cut, etc. All of this occurred this time, has occurred in the past and will occur in the future. We will favor better salaries for the underpaid, decent, hard-working civil servants, fair treatment, better health benefits and pensions and even a rare, once-in-a-lifetime sabbatical. If a member is found who opposes such goals, that member should not join nor give money to our PAC.

If, however, our goals seem agreeable, members need not fear the PAC monies being spent on issues unrelated to labor since our intention is to be narrowly focused on advancing the welfare of our active and retired members.

There are five levels of membership based upon the size of the sacrifice a member chooses:

Committee Member	\$39/year or	\$1.50 biweekly
Block Captain	\$65/year or	\$2.50 biweekly
District Leader	\$97.50/year or	\$3.75 biweekly
Inner Circle	\$130/year or	\$5.00 biweekly
Grand Poobah	\$260/year or	\$10.00 biweekly

The first three levels are based on OSA's history. OSA's dues level started at \$2 per year in 1970, but the City's current fee for "checkoff" would now absorb such an amount entirely. By the mid-70's, OSA's voluntary dues were \$39 annually. Later, there was a dollar increase biweekly (\$65/year) and, later yet, by the late 1980s, the dues had risen to \$97.50 annually. We went to 7/10ths of 1% of salary after achieving union status.

As is traditional, there are premiums.

At the **Committee Member** level, all members get a choice of a small desk clock, a paper clip holder, an erasable OSA note board with magnet backing, an OSA mug, or six OSA pens.

At the **Block Captain** level, you can choose two of the above and, in addition, either the OSA umbrella, the attractive OSA electric wall clock, the OSA tote bag, or the (coffee table sized) labor book "Ordinary People, Extraordinary Lives" by Bernhardt and Bernstein.

If you are able to manage the **District Leader** level, you can choose any three of the Committee Member level premiums, and any two of the Block Captain level.

If you wish to join the **Inner Circle**, you can choose any four premiums from the Committee Member level, plus all three of the Block Captain level.

Should you choose to go the entire distance and become a **Grand Poobah**, you will be treated, once a year, to an evening at OSA with the union leadership and some of those elected officials who we are backing.

OSA Chair Bob Croghan and OSA Executive Director Sheila Gorsky flank Congressman Jerrold Nadler.

Both **Inner Circle** and **Grand Poobah** memberships may also be invited on occasion to attend a "rubber chicken dinner." A "rubber chicken dinner" is an affair thrown by politicians to raise funds. Rubber chicken dinners are held in swell locations full of well-dressed folks who are very, very friendly.

Unfortunately, after one's 100th rubber chicken dinner, the joy pales. If you're generous enough to join the **Inner Circle** or to become a **Grand Poobah**, you are exactly the sort that will be very welcome at any politician's rubber chicken dinner. Taken in moderation, rubber chicken dinners are a nice way to spend an evening, may be the start of your political career and, contrary to their name, often provide very good food.

Please complete the OSA PAC contribution coupon that appears on the back of this brochure and indicate the level of your contribution and the premiums you wish to receive. It will be treated as your voluntary deduction approval coupon. Your name and amount of deduction will then be sent to the Office of Payroll Administration.
